By joining the Humboldt County Cattle Women you will help us voice our passion for the beef industry, by encouraging beef promotion and youth development. We also want to voice that caring for the cattle and land is one of our top priorities.

If you want the opportunity to work and participate with women who share the passion for the beef industry then become a member.

To the right is a list of events that we do. These events help us to promote the beef industry, provide scholarships, awards, etc. To continue promoting and raising money we need your help! Please check the events that you would be interested in helping out with.

We are always looking for new fund raising ideas/opportunities, so please let us know if you have one.
