

KERN AGRICUTURAL PAVILION

Kern Ag Pavilion will be the site of the 2018 Beef Ambassador contest. This facility is located just behind the Kern County Farm Bureau office. This location is just a quick five minute drive from your hotel. Please be on time for the contest. We hope you enjoy this experience and walk away with a deep understanding of the Beef Industry and the role you, as a Beef Ambassador, can play in this developing and vital industry.

I look forward to meeting each of you!
