

Helping preserve a way of life

The specific & primary purpose for which this organization was formed is to enable and assist the women of Humboldt County who are interested in the cattle industry to coordinate, on a county wide basis, their efforts to promote the welfare of the cattle industry and of those engaged therein; to cooperate with the Humboldt-Del Norte Cattlemen's Association, the California Beef Council and other organizations dedicated to improvement in breeding, raising, marketing cattle, fostering and safe guarding the welfare of those engaged therein; and to encourage the young people of California to appreciate and enjoy cattle raising as a satisfying and rewarding way of life.

Benefits of Membership

By joining the Humboldt County Cattle-Women you will help us voice our passion for the beef industry, by encouraging beef promotion and youth development. We also want to voice that caring for the cattle and land is one of our top priorities. If you want the opportunity to work and participate with women who share the passion for the beef industry then become a member.

To the right is a few events that we do. These events help us to promote the beef industry, provide scholarships, awards, etc. To continue promoting and raising money we need your help! We are always looking for new fund raising ideas/opportunities, so please let us know if you have one.
